Course description

This Assessment Practitioner Skills Programme is for those who assess people for their achievement of learning outcomes in terms of specified criteria using pre-designed assessment instruments.

The outcomes and criteria may be defined in a range of documents including but not limited to unit standards, exit level outcomes, assessment standards, curriculum statements and qualifications.

Course Content

- **Knowledge Component (5 days combined with the Practical):** Assessment Principles and Practices.
- **Application Component:** Plan and Conduct the Assessment of Learner Competencies.
- **Workplace Component (25 working days):** Conduct Assessments of Learner Competence. Completed after the 5 training days, in the workplace or with ATG as an accredited Workplace Provider.

Why attend this course?

- Qualify to assess learnerships, skills programmes, apprenticeships and full qualifications.
- Increase your employability – companies and training providers actively seek registered assessors.
- Start earning extra income by conducting assessments for training providers, companies, or as a freelancer.
- Meet legal and quality assurance requirements – only registered assessors may sign off on nationally recognised training.

Who should attend?

- Aspiring Assessment Practitioners seeking QCTO recognition
- Trainers, Facilitators and Learning & Development Professionals
- Anyone responsible for conducting fair, valid and reliable assessments in the workplace

FISA & Certification

- The Final Integrated Summative Assessment (FISA) is conducted under controlled QCTO assessment conditions.
- The FISA is scheduled for the first working day after the Workplace Module is completed and the Portfolio of Evidence declared competent.
- Learners are registered with the QCTO within 5 working days of the training start date; FISA results are submitted within 21 working days of the FISA date.
- Once declared competent in the FISA, the QCTO issues the statement of results and the certificate.
